To

The Secretary to Government,

Local Self Government Department,

B A N G A L O R E.

The humble petition of the undersigned members of the Minor Municipality of Konanur Village, Arakalagud Taluk, on behalf of the Villagers respectfully showeth that:-

(1) It is only with the persuation of the Taluk authorities that the villagers agreed to have a municipality for their village.

(2) Against the will of the villagers, the sanbhog of the village, Venkata Ramaiya, who is now nomiated by Government to be the Vice-president of the municipality, worked fo the formation of a municipalety, for his own advantage.

(3) As such it has been surprising that the Government have nominated him only to the responsible executive office of the municipality

(4) All the other members of the municipality except the official ones have no confidence in him and they do not want his Vice president ship for various reasons While he was chairman of the Village improvement Committee some time, back he got a sum of Rs 120/- sanctioned by the Committee for the purchase of furniture, but he had not purchesed the articles though he had drawn the amount. When called for to explain, he pleaded some thing and hushed up the matter. While passing

resolutions of the Committee, he was inseting into the papers some subjects of his own liking, without the knowledge of the other members, after they had signed the papers This kind of dealing was also ultimately brought to light Thus he has lost the confidence of the people.

(5) It is not known an what grounds he was selected for that office. The officer who recommended him for nomination never took any opinion of the members.

(6) The present Vice president has many engagements in the village both official and non official, he is the chairman of the village Punchayet Court, Revenue Sanbhog, Municipal tax Collector, and Secretary to the Co-operative Society, and is thereby made not only two powerful but also too busy to pay proper attention to his duties.

(7) Under the above circumstances the petitioners respectfully pray that the nomination of the present Vice president be cancelled and that any other member be nominated.

(8) If the Government were to thrust this person only upon the petitioners the object of having municipality in the village will not be served.

(9) There will be factions in the Council with no hormony at all Each party opposing the other on each topic.

(10) Already there are instances of the Vice president doing things on his own authority ignoring the other members. Though there be no quorum a meeting is held and resolutions are passed as if all the members had given their authority

(11) The official president(the taluk Amildar) seems to support the Vice preseident only, in spite of the repeated petitions of the other members, in the matter of the unsatisfactory state of the municipal council affairs.

(12) All the resolutions that are hither to passed since the

the formation of the municipality are only the resolutions of the Vice President and his supporters and not of other members.

(13) The Deputy Commissioner also when he was approcahed in the matter, simply referred the petitioners to the Amildar only without redressing their grievances.

(14) Therefore it has been absolutely impossible to go on with the present Vice president and it is earnestly prayed that the present nomination be cancelled and that a seperate Gentleman may be nominated.

The Village consists of about 700 houses with about 2500 population. More than 90 % of the population are against the present Vice President

Re Vice-Presidentship of the Municipality of Konanur, Arkalgud Taluk, Hassan District.

Presented by Govt Servts.

The petrs. above-named most respectfully beg to state as follows -

Petrs' reference 47'24,

1. The petrs. understand that Mr. K. Venkataramayya, of Konanur, has been recommended by the authorities concerned for nomination as Vice-President of the Municipality of the town.

2. The said gentleman is extremely unpopular with all the elected Councillors and generally with the residents of the town, & therefore an unsuitable person for the post

3. When he was Chairman of the Village Punchayat, he has, by means of a cheque no. 8 dated 17-6-1922, drawn Rs 120 as for furniture. On a casual perusal of the cheque book about a year later by one of the members, Mr. P. Nanjappa Setty, this entry was found on the counterfoil, and when the member questioned the gentleman, he admitted that the note was a mistake and that the sum was made up of Rs 20 for furniture and Rs 100 for refunding pound-fees which had been previously collected and credited to the Village Punchayat Fund, to the Dist. Board. (These figures have got furnished by a clerk in the form dt-17-5-22) The petrs. have satisfied themselves that this statement, which is moreover unsupported by any voucher and is prima facie improbable, is an utter falsehood

(P.T.O.

and that the gentleman has misappropriated Rs 100 out of the amount. The petrs. pray that the counterfoil of the cheque in question which contains an distinct interlineation in a different ink, which is still in the custody of the 2d petr.. as late Vice-President, and the original cheque may be perused in this connection.

The gentleman is therefore totally unfit to be entrusted with the money responsibilities involved in the office in question.

4. Further, the gentleman has too many duties and offices, viz., Chairman of the Village Munsiff's Court, Shanbhogue. Collector of Municipal taxes. & Secretary of the local Co-operative Society, for him to properly attend to this additional office of Vice-President.

5. The petrs. who are in this matter acting with the full concurrence of the other elected Councillors and as such represent the entire residents of the town, therefore most earnestly and respectfully pray that the Govt. will be pleased not to nominate the said Mr. K. Venkataramayya to the office of Vice-President of the Konanur Municipality.

And further that they may be heard through Counsel in case the Govt. is not inclined to consider their prayer favourably.

To

B. Nagappa, Esq., Bar-at-Law,
Secretary to Government of Mysore,
Local and Legislative Departments,
Bangalore.

Sir,

Adverting to your memo No.L.9063/M1.18-23-37 dated 22nd May 1924 and No.L.217 dated 12th July 1924, forwarding for report the petitions of certain Municipal Councillors of Konanur Municipal Council complaining against the nomination of Mr.K.Venkataramaiya as Vice President of the Municipal Council, I have the honor to state that I enquired into the allegations in the first petition when I was in Konanur on 9th June 1924 in the presence of such of the signatories as were present at Konanur.

The allegation that he had not purchased furniture for the Village Improvement Committee (sic) (what is meant is Village Panchayet) though he had drawn Rs 120/- is not correct. The Panchayet had, in a resolution dated 10th July 1920, sanctioned the purchase of furniture for Rs 120/- and cheque No.9 dated 31st May 1922 was drawn for Rs 120/- to pay for the furniture purchased for the Panchayat. Out of the articles purchased, a table and 3 chairs were handed over by Mr. Venkataramiah to his successor Mr. Narasimha Murty, one of the signatories to the petition, on 19th July 1923 and it is also stated that 2 benches and a box were under repair.

But

But in the counter foil of the cheque, I found that the figures Rs 120/- had been scored out and two entries made (Rs100/- for furniture and Rs 20/- for repayment to Taluk Board, of Cattle Pound Receipts wrongly credited to the Panchayet Funds). I asked him to explain this later - correction and he stated that he had drawn the cheque for Rs 120/-, but that only Rs 100/- was paid for furniture and Rs 20/- paid towards refund of cattle pound receipts and therefore corrected the entries. The vouchers had to be referred and these were traced in the Taluk Board Office. I received them from the Amildar on the 4th July. The voucher is distinctly for Rs 120/- for furniture. The voucher is dated 30-5-2922. It consists of a bill dated 27th May 1091 for Rs 110/- from Mr.J.V. Ramiya, Timber merchant, Arsikere and Rs 10/- being transport charges, the entire receipt being vouched by one suryanaranappa. The voucher then does not bear out Mr. Venkataramiah's explanation and I doubt therefore, the genuinness of the transaction.

The other allegations of the petitioners is not worth much.

In view of the above and of the large number of councillors who were against the Vice President, I thought it desirable that he should not continue in Office.

But no ground capable of falling under Sec. 23 (6) of the Municipal Regulation was disclosed, the irregularity above pointed out having occurred in his work as Chairman of the Village Panchayet. I therefore advised him to resign the Vice Presidency in his own interest.

I have received on 31st August 1924 from the Amildar, President, the resignation of Mr. K. Venkataramaiya. The

letter and the enclosure are herewith sent for the perusal of the Government. This may be accepted. His appointment was notified in Government Notification No.L.8228/M1.49-23-8 dated 15th April 1924.

In view of the present situation in the locality and as this is a Municipality where the President is not resident, I suggest that the Local Sub Assistant Surgeon be appointed Ex-officio Vice President, until the Municipality gets well established. The petitions are herewith returned. The delay in the report was unavoidable under the circumstances of the case.

Sir.

Adverting to Government Notification No L 4792/M1 18-23-55 dated the 7th January 1925 appointing the Sub Assistant Surgeon, L F Dispensary, Konanur, an ex-officio Municipal Councillor of the Konanur Municipality, as the Vice-President of the Council, I have the honor to state that the Sub Assistant Surgeon has addressed a letter to me(No 213 dated the 28th January 1925) expressing his gratitude for the trust imposed in him and his hesitation, at the same time, to enter upon his new duties in view of the fact that his legitimate work as Sub Assistant Surgeon practically absorbs all his time and attention The District Medical Officer also is of opinion that the Sub Assistant Surgeon can be illspared for extraneous work such as that of Vice-President of the Municipality Personally I think that the less the Sub Assistant Surgeon has to do - in another capacity - with actively contending against factious tendencies that are bound to arise, the less the occasion for loss of the mental balance so essential for his professional efficiency In these circumstances, I would request that Government may be moved to be pleased to modify the Notification and to make other suitable appointment for the place

I have the honor to be,

Sir,

To

B. Nanasamy Rao, Esquire.,

B. Nagappa, Esq., Bar-at-Law ,
Secretary to Government,

Sir,

With reference to your marginally noted communications calling for my further proposals re the appointment of the Vice President of the Konanur Minor Municipal Council, by nomination. I have the honor to forward herewith copy of a letter from the President of the Municipality and to state that I agree with his opinion.

2. I request you therefore to kindly place the matter before the Government and move the Senior Surgeon to spare the services of the Sub Assistant Surgeon for some time, since the work of the municipality cannot be considered to be greatly detrimental to the professional duties of the Sub Assistant Surgeon. In case, he does not agree with my views and pleads inability to spare his services, the Municipal Council may be given the privilege of electing their own non-official Vice President as a temporary measure during the rest of the term of the present constitution.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

A.S.

Letter dated the 2nd April 1925 from the Amildar President Konanur Municipality, to the Deputy Commissioner, Hassan District.

In reply to your confidential D.O. letter No.R O C.119-24/ L.B.G. of the 2nd ultimo requiring me to suggest a Councillor for nomination as Vice President of the Konanur Municipality I beg to state that my short experience of the Councillors has not prepossessed me in favour of any one. Amongst the non-officials Mr. Venkataramiah seems to be the only one who can be expected to do some useful work, but he has urfortunately resigned. I am not in favour of recommending any of the other non-official members as they appear to be more obstructive than helpfully inclined to work in the best interests of the Municipality.

Under the circumstances it would be best to request the Senior Surgeon to withdraw his objection as the duties of the Vice President will not be very taxing on the Sub Assistant Surgeon after all. If this is not considered suitable the Municipality will have to be run without a Vice President for the rest of the term, i.e. for about a year and a half or until a better tone and spirit are infused into the Councillors.
